RE: TX-07 SURVEY RESULTS
DATE: 10.16.29

GS Strategy Group conducted a poll on behalf of the Hunt for Congress on October 13-15, 2020 among 400 likely voters in Texas' 7th Congressional District. The margin of error for the survey is +/- 4.9% at the 95% confidence level. Below are some key findings from that research.

Rep. Lizzie Fletcher and Wesley Hunt have similar favorability ratings, but Fletcher's unfavorable rating outpaces Hunt's.

With just over two weeks until election day, the race for Congress is a statistical dead heat.

Congressional Ballot

If the election for United States Congress was held today and the candidates were Lizzie Fletcher, the Democrat, Wesley Hunt, the Republican, and Shawn Kelly, the Libertarian, for whom would you vote?

The audience surveyed was representative of a likely general election audience:

- 52% of respondents were women and 48% were men.
- 65% of respondents were white, 14% were Hispanic, 11% were Black and 4% were Asian.
- 51% of respondents were over the age of 55, and 49% were under the age of 55.
- 37% of respondents identified as Democrats, 37% as Republicans and 26% as Independents or other parties.
